- c) employees' expenses;
- d) the purchase, maintenance, repair and replacement:
 - (i) of teaching and learning materials and other educational equipment, including books, stationery and ICT equipment and software, sports equipment and laboratory equipment and materials;
 - (ii) of other supplies and services;
- e) examination fees;
- f) repairs, servicing and maintenance of buildings (including redecoration, heating, plumbing, lighting etc); maintenance of grounds (including boundary fences and walls); cleaning materials and contract cleaning; water and sewage; fuel and light

(including fuel oil, solid and other fuel, electricity and gas); rents; rates; purchase, maintenance, repairs and replacement of furniture and fittings;

- g) insurance;
- h) medical equipment and supplies;
- i) staff development (including in-service training);
- j) curriculum development;
- k) the costs of providing school meals for pupils (including the cost of providing free school meals to pupils who are eligible to receive them), and discretionary grants to pupils to meet the cost of pupil support, including support for pupils with special educational needs or disabilities (taking account of the fact that separate additional money will be available for pupils with statements of special educational needs);
- l) administration;
- m) establishment expenses and other institutional costs.

42A) Clauses 43 to 54 apply in respect of **Mainstream Academies** only.

43) Subject to clauses to 51-52, GAG for each Academy Financial Year for each **Mainstream Academy** will include;

- a) funding equivalent to that which would be received by a maintained school with similar characteristics, determined by the Secretary of State and notified in the Annual Letter of Funding or its equivalent, taking account of the number of pupils at each Academy;
- b) funding in respect of functions which would be carried out by the local authority if each Academy was a maintained school.

44) The GAG for each Academy Financial Year for each **Mainstream Academy** will also include, payable on a basis equivalent to that applied to maintained schools:

- n) funding for matters for which it is necessary for that Academy to incur extra costs, for as long as those costs are deemed necessary by the Secretary of State; and

- o) payments in respect of further, specific grants made available to maintained schools, where the relevant Academy meets the requisite conditions and criteria necessary for a maintained school to receive these grants.

45) Subject to clause 46, the basis of the pupil number count for the purposes of determining GAG for an Academy Financial Year for a **Mainstream Academy** will be in the first year of conversion, the same basis as that used by the Local Authority for determining the budget share of the predecessor maintained school as adjusted by numbers counted in any subsequent Schools Census, as determined by the Secretary of State. In subsequent years the basis of the pupil count will be as determined by the Secretary of State.

46) Once the conditions specified in clause 47 have been satisfied with respect to a **Mainstream Academy** for the Academy Financial Year for which funding is being calculated, the basis of the pupil number count for the purpose of determining GAG for that Academy will be:

- a) for the pupil number count for pupils in Year 11 and below, the Schools Census for the January preceding the Academy Financial Year in question; and
- b) for the pupil number count for pupils in Year 12 and above, the formula which for the time being is in use for maintained schools for the calculation of pupil numbers for pupils in Year 12 and above for the purpose of calculating their level of funding.

47) For the purpose of clause 46, the conditions are:

- a) all planned Year-groups will be present at the Academy (that is, all the pupil cohorts relevant to the age-range of the Academy will have some pupils present); and
- b) the total number of pupils as measured in the Schools Census for the preceding January is 90% or more of the planned final size of the Academy, as specified in the Academy's Supplemental Agreement.
- c) The Secretary of State had determined that the basis shall be as provided for in Clause 46.

48) For any Academy Financial Year in which GAG for a **Mainstream Academy** has been calculated in accordance with clause 45, no adjustment shall be made to the following Academy Financial Year's formula funding element of GAG for that Academy to recognise variation from the pupil count basis used.

49) For any Academy Financial Year in which GAG for a **Mainstream Academy** is calculated in accordance with clause 46, no adjustment will be made to the formula funding element in the following Academy Financial Year's formula funding element of GAG unless the Company demonstrates to the satisfaction of the Secretary of State that there has been a significant impact on costs, such as an extra class. For any other element of GAG the Secretary of State may make adjustments to recognise a variation in pupil numbers from that used to calculate the element of grant in question; the basis of these will be set out in the annual letter of funding.

50) The Secretary of State recognises that:

- a) in relation to **Mainstream Academies** which open with intakes representing only a proportion of the final planned size of the Academy, payments based simply upon the number of pupils present are unlikely to be sufficient to meet the Academy's needs in the Academy Financial Years before all age groups are present at their planned size (the "Start-up Period") because of a lack of economies of scale. The Secretary of State may pay an appropriately larger GAG in the Start-up Period than would be justified solely on the basis of the methods set out in clauses 43-49, in order to enable the Academy to operate effectively;
- b) in relation to **Mainstream Academies** which open with pupils transferred from one or more maintained schools which have closed, additional GAG resources may be required to take account of transitional costs including any costs associated with supporting the integration of pupils from the closed schools and, where necessary, to offer a dual curriculum. If the Secretary of State has indicated that such additional GAG will be payable, the Company will make a bid for this addition to GAG based upon need and providing appropriate supporting evidence.

51) During the Start-up Period or during the period when year groups are present who have transferred from a predecessor school or schools, the Secretary of State will pay a further element of GAG additional to that calculated in accordance with the methods set out in clauses 43-49 to allow the relevant **Mainstream Academy** to:

- a) purchase a basic stock of teaching and learning materials (including library books, text books, software, stationery, science equipment and equipment for physical education) and other consumable materials;
- b) meet the costs associated with the recruitment and induction of additional teaching and other staff.

After the Start-up Period these costs will be met through the ordinary GAG.

52) The Secretary of State recognises that if he serves notice of intention to terminate a Supplemental Agreement under that agreement the intake of new pupils during the notice period is likely to decline and that in such circumstances payments based simply upon the number of pupils attending the relevant **Mainstream Academy** are unlikely to be sufficient to meet the Academy's needs during the notice period. The Secretary of State undertakes to pay a reasonable and appropriately larger GAG with respect to that Academy in the notice period than would be justified solely on the basis of the methods set out in clauses 43-49, in order to enable the Academy to operate effectively.

53) The Secretary of State also recognises that if this Agreement or a Supplemental Agreement is terminated for any reason by either party the number of pupils at the relevant **Mainstream Academy or Academies** is likely to decline. In these circumstances both parties undertake to attempt to resolve issues arising from such termination in good faith and with the aim of protecting the interests and the education of the pupils at the Academy.

54) Subject to clause 73, GAG paid by the Secretary of State in respect of a **Mainstream Academy** shall only be spent by the Company towards the normal running costs of that Academy.

54AA) Clauses 54A to 54H apply in respect of **Special Academies** only.

54A) Subject to clauses 54E – 54F, GAG for the 2011-12 Financial Year for each **Special Academy** will be the total of the following areas of funding; (see clause 54D)

- a) funding equivalent to that which would be received by a maintained Special school with similar characteristics, determined by the Secretary of State and notified in the Annual Letter of Funding or its equivalent, taking account of the number of pupils at each Academy;
- b) funding in respect of functions which would be carried out by the local authority if each Academy was a maintained school.

54B) The GAG for each Academy Financial Year for each **Special Academy** will also include, payable on a basis equivalent to that applied to maintained schools:

- a) funding for matters for which it is necessary for that Academy to incur extra costs, for as long as those costs are deemed necessary by the Secretary of State; and

- b) payments in respect of further, specific grants made available to maintained schools, where the relevant Academy meets the requisite conditions and criteria necessary for a maintained school to receive these grants.

54C) GAG will be based on a number of places and/or pupils, as appropriate to the funding formula of the local authority, determined annually by the Secretary of State, who shall consult the Company and the local authority before finally determining the number(s) to be used.

54D) Arrangements for the provision of GAG in subsequent funding years will be notified to each **Special Academy** by letter before 1 April. The Secretary of State may make provision for GAG to be adjusted in-year if the number of pupils attending the relevant academy at specified dates exceeds or falls below thresholds specified by letter. Arrangements for this will be set out in the Annual Letter of Funding.

54E) The Secretary of State recognises that a larger GAG may be appropriate to meet additional costs during the start-up period, and may pay start-up grant, on a basis determined by him, during that period, the length of which will be stipulated in the Annual Letter of Funding.

54F) The Secretary of State recognises that if he serves notice of intention to terminate a Supplemental Agreement, the intake of new pupils during the notice period is likely to decline and that in such circumstances payments based on a number of places related to the number of pupils attending the relevant **Special Academy** are unlikely to be sufficient to meet the Academy's needs during the notice period. The Secretary of State undertakes to pay a reasonable and appropriately larger GAG with respect to that Academy in the notice period than would be justified solely on the basis of the methods set out in clauses 54A-54C, in order to enable the Academy to operate effectively.

54G) The Secretary of State also recognises that if this Agreement or a Supplemental Agreement is terminated for any reason by either party the number of pupils at the relevant **Special Academy or Academies** is likely to decline. In these circumstances both parties undertake to attempt to resolve issues arising from such termination in good faith and with the aim of protecting the interests and the education of the pupils at the Academy.

54H) GAG paid by the Secretary of State in respect of a **Special Academy** shall only be spent by the Company towards the normal running costs of that Academy.

Earmarked Annual Grant

55) Earmarked Annual Grant ("EAG") shall be paid by the Secretary of State to the Company in respect of either recurrent or Capital Expenditure for such specific purposes as may from time to time be agreed between the Secretary of State and the Company and as described in the relevant funding letter. The Company shall only spend EAG in accordance with the scope, terms and conditions of the grant set out in the relevant funding letter.

56) Where the Company is seeking a specific EAG in relation to any Academy Financial Year, it shall submit a letter outlining its proposals and the reasons for its request to Academies Division, Sanctuary Buildings, Great Smith Street, London SW1P 3BT.

Arrangements for Payment of GAG and EAG

57) The Secretary of State shall notify the Company at a date preceding the start of each Academy Financial Year of the GAG and EAG figures in respect of each Academy which, subject to Parliamentary approval, the Secretary of State plans for that Academy Financial Year and of the assumptions and figures on which these are based.

58) If GAG or EAG is calculated incorrectly due to a mistake of the Secretary of State then:

- a) if this leads to an underpayment of GAG, the Secretary of State will correct the underpayment in subsequent Academy Financial Years;
- b) if this leads to an overpayment of GAG, the Secretary of State reserves the right to recover any overpaid grant in subsequent Academy Financial Years, as appropriate, having considered all the relevant circumstances and taking into account any representations from the Company.

59) If GAG or EAG is calculated incorrectly because the Company provides incorrect information to the Secretary of State then;

- a) if this leads to an underpayment of GAG, the Secretary of State may correct the underpayment in subsequent Academy Financial Years;
- b) If this leads to an overpayment of GAG, the Secretary of State reserves the right to recover any overpaid grant in subsequent Academy Financial Years, as appropriate, having considered all the relevant circumstances and taking into account any representations from the Company.

60) The amounts of GAG for an Academy Financial Year will be determined annually by the Secretary of State. The amount of GAG for each Academy for the initial Academy Financial

Year will be notified to the Company in a funding letter at a date preceding that year. For subsequent years the amount of GAG will be notified to the Company in a funding letter not later than 31 March preceding that Academy Financial Year (the "Annual Letter of Funding"). The Annual Letter of Funding will not include the amount that the Company will receive in respect of grants for which information to enable timely calculation is not available or is incomplete, such grants will be notified as soon as practicable later in the year. Amounts of EAG will be notified to the Company wherever possible in the Annual Letter of Funding or as soon as practicable thereafter.

61) The Secretary of State undertakes to pay GAG in monthly instalments on or before the twenty fifth day of each month, each such instalment to fund the salaries and other payroll costs for the relevant month of all monthly paid employees and all other costs payable during the next following month. The detailed arrangements for payment will be set out in the Annual Letter of Funding.

Other relevant funding

62) The Company may apply to the Secretary of State for financial assistance in relation to proposed redundancies that it may make. On an application to the Secretary of State, he may (at his absolute discretion) agree to meet a proportion of the Company's costs arising from the inclusion of Academies in the Schedules to the Redundancy Payments (Continuity of Employment in Local Government)(Modification) Order 1999. In response to an application for financial assistance, the Secretary of State may agree to meet the costs of the employees' prior eligible service, being service prior to opening of the Academy, but the Company will be required to meet the costs of service after the opening of the Academy.

63) The Secretary of State may meet costs incurred by the Company in connection with the transfer of employees from any predecessor school under the Transfer of Undertakings (Protection of Employment) Regulations 2006. Payment of grant in respect of such costs is to be agreed between the parties on a case by case basis and the Company shall not budget on the basis that it will receive any grant in respect of such costs unless it is specifically notified that such grant will be paid.

64) The Company may also receive funding from an LA in respect of the provision detailed in statements of SEN for pupils attending an Academy in accordance with the provisions of Section 483A of the Education Act 1996 and regulations made under that section. The Company shall ensure that all provision detailed in statements of SEN is provided for such pupils.

65) Subject always to Clause 73, the Company shall, in relation to each PFI Academy, establish and maintain separate bank accounts to be used solely in respect of any monies provided by the Secretary of State pursuant to this Agreement for that PFI Academy. Monies provided by the Secretary of State will be paid into such accounts and will remain in those accounts until required. The Company agrees that such monies will be applied in accordance with the requirements of this Agreement.

FINANCIAL AND ACCOUNTING REQUIREMENTS

General

66) The Company shall appoint an Accounting Officer and shall notify the Secretary of State of that appointment.

66A) Without prejudice to clause 66, the Company shall ensure that it has and continues to have sufficient capacity and expertise to manage the finances of all academies within the federation. The Company shall ensure that any funding which relates to the PFI Academy shall be accounted for separately.

67) In relation to the use of grant paid to the Company by the Secretary of State, the Company shall abide by the requirements of and have regard to the guidance in the Academies Financial Handbook published by the DfE and amended from time to time and as modified to take account of the fact that the Company manages more than one Academy, which sets out in detail provisions for the financial management of each Academy including guidance on financial systems and controls and accounting and reporting requirements, in so far as these are not inconsistent with any accounting and reporting requirements and guidance that it may be subject to by virtue of its being a charity.

68) The formal budget plan must be approved each Academy Financial Year by the Directors of the Company.

69) Any payment of grant by the Secretary of State in respect of each Academy is subject to his being satisfied as to the fulfilment by the Company of the following conditions:

- a) in its conduct and operation it shall apply financial and other controls which conform to the requirements both of propriety and of good financial management;
- b) arrangements have been made to maintain proper accounting records and that statements of income and expenditure and balance sheets may be produced in such

form and frequency as the Secretary of State may from time to time reasonably direct;

- c) in addition to the obligation to fulfil the statutory requirements referred to in sub-clause f) below, the Company shall prepare its financial statements, Directors' report, Annual Accounts and its Annual Return for each Academy Financial Year in accordance with the Statement of Recommended Practice as if the Company was a non-exempt Charity and/or in such form or manner and by such date as the Secretary of State may reasonably direct and shall file these with the Secretary of State and the Principal Regulator each Academy Financial Year;
- d) a statement of the accounting policies used should be sent to the Secretary of State with the financial statements and should carry an audit report stating that, in the opinion of the auditors, the statements show a true and fair view of the Company's affairs and that the grants were used for the purposes intended;
- e) the Company shall ensure that its accounts are audited annually by independent auditors appointed under arrangements approved by the Secretary of State;
- f) the Company prepares and files with the Companies Registry such annual accounts as are required by the Companies Act 2006;
- g) the Company shall publish on its website its Annual Accounts, Annual Report, Memorandum and Articles of Association, Funding Agreement and a list of the names of the Directors of the Company;
- h) the Company insures or procures insurance by another person of its assets in accordance with normal commercial practice or under the terms of any subsisting leases in respect of the leasehold interest of the site upon which each Academy is situated;

70) In addition, and at his expense, the Secretary of State may instruct auditors to report to him on the adequacy and effectiveness of the accounting systems and internal controls maintained by the Company to standards determined by the Secretary of State and to make recommendations for improving the financial management of the Company.

71) The books of accounts and all relevant records, files and reports of the Company including those relating to financial controls, shall be open at all reasonable times to officials of the DfE and the National Audit Office and to contractors retained by the DfE or the National Audit Office for inspection or the carrying out of value for money studies; and the

Company shall secure that those officials and contractors are given reasonable assistance with their enquiries. For the purposes of this clause 'relevant' means in any way relevant to the provision and use of grants provided by the Secretary of State under this Agreement.

72) The Company shall submit indicative budgets relating to each Academy to the Secretary of State by not later than 15 February before the start of each Academy Financial Year. Such budgets shall set out clearly the prospective income and expenditure of the relevant Academy and shall differentiate, and give adequate details of:

- a) a statement of expected income for that Academy Financial Year including cash donations and gifts in kind from sources other than GAG, EAG and grants from the Secretary of State towards capital and revenue expenditure, distinguishing between income from public funds including the national lottery and income from other sources. Income from cash donations and gifts in kind from sources other than GAG, EAG and grants from the Secretary of State towards capital expenditure will not be taken into account by the Secretary of State in the calculation of GAG;
- b) a statement of proposed recurrent expenditure for that Academy Financial Year;
- c) a statement of proposed capital expenditure for that Academy Financial Year.

73) At the beginning of any Academy Financial Year the Company may hold unspent GAG for any Academy from previous Academy Financial Years amounting to such percentage (if any) as the Secretary of State may specify by notice in writing to the Company prior to the beginning of that Academy Financial Year of the total GAG payable for the Academy in the Academy Financial Year just ended or such higher amount as may from time to time be agreed. The Company shall use such carried forward amount for such purpose, or subject to such restriction on its use, as the Secretary of State may specify by notice in writing to the Company.

74) Notwithstanding clause 73 any additional grant provided over and above that set out in clauses 43-49 and made in accordance with clauses 50-52 may be carried forward without limitation or deduction until the Start-up Period or the circumstances set out in clause 52 come to an end.

75) Any savings of GAG not allowed to be carried forward under clauses 73-74 will be taken into account in the payment of subsequent grant.

76) The Company may also accumulate funds from private sources or public sources other than grants from the Secretary of State for application to the benefit of an Academy as it

sees fit. Any surplus arising from private sources or public sources other than grants from the Secretary of State shall be separately identified in the Company's balance sheet.

77) The Company shall not, in relation to assets or property funded (whether in whole or in part) by the Secretary of State, without the prior written consent of the Secretary of State which shall not be unreasonably withheld or delayed:

- a) except such as are given in normal contractual relations, give any guarantees, indemnities or letters of comfort;
- b) write off any debts or liabilities owed to it above a value for the time being specified by the Secretary of State nor offer to make any ex gratia payments;
- c) make any sale or purchase of freehold property; or
- d) grant or take up any leasehold or tenancy agreement for a term exceeding three years.

78) The Company shall provide 30 days notice to the Secretary of State, whether or not the circumstances require the Secretary of State's consent, of its intention to:

- a) give any guarantees, indemnities or letters of comfort;
- b) write off any debts owed to it or offer to make any ex gratia payments;
- c) make any sale or purchase of freehold property; or
- d) grant or take up any leasehold or tenancy agreement for a term exceeding three years.

79) Each discovered loss of an amount exceeding the amount for the time being specified by the Secretary of State and arising from suspected theft or fraud, shall be reported by the Company to the Secretary of State at the earliest opportunity.

80) It is the responsibility of the Company to ensure that each Academy balances its budget from Academy Financial Year to Academy Financial Year. For the avoidance of doubt, this does not prevent the Company from:

- a) carrying a surplus from one Academy Financial Year to the next; or
- b) carrying forward from a previous Academy Financial Year or Academy Financial Years a sufficient surplus or sufficient cumulative surpluses on grants from the

Secretary of State to meet an in-year deficit on such grants in a subsequent financial year; or

- c) incurring an in-year deficit on funds from sources other than grants from the Secretary of State in any Academy Financial Year, provided it does not affect the Company's responsibility to ensure that the Company balances its overall budget from Academy Financial Year to Academy Financial Year.

80A The Company shall abide by the requirements of and have regard to the Charity Commission's guidance to charities and charity trustees and in particular the Charity Commission's guidance in the Protecting Charities from Harm ('the compliance toolkit'). Any references in this document which require charity trustees to report to the Charity Commission should instead be interpreted as references to report to the Principal Regulator.

Borrowing Powers

81) The Company shall not borrow against or so as to put at risk property or assets funded (whether in whole or in part) by the Secretary of State without specific approval of the Secretary of State, such approval may only be granted in limited circumstances. The Company shall not operate an overdraft except to cover irregularities in cash flow. Such an overdraft, and the maximum amount to be borrowed, shall require approval by the Company in General Meeting and in writing by the Secretary of State, and shall be subject to any conditions which the Secretary of State may reasonably impose.

82) The Company shall provide 30 days notice to the Secretary of State of its intention to borrow, whether or not such borrowing requires the Secretary of State's approval under clause 81 above.

Disposal of Assets

83) Where the Company acquires assets for a nil consideration or at an under value it shall be treated for the purpose of this Agreement as having incurred expenditure equal to the market value of those assets at the time that they were acquired. This provision shall not apply to assets transferred to the Company at nil or nominal consideration and which were previously used for the purposes of an Academy and/or were transferred from an LA, the value of which assets shall be disregarded.

84) The sale or disposal by other means, or reinvestment of proceeds from the disposal, of a capital asset by the Company shall require the consent of the Secretary of State, such consent not to be unreasonably withheld or delayed, where:

a) the Secretary of State paid capital grant in excess of the value for the time being specified by the Secretary of State for the asset; or

b) the asset was transferred to the Company from an LA for no or nominal consideration.

85) Furthermore, reinvestment of a percentage of the proceeds of disposal of a capital asset paid for with a capital grant from the Secretary of State shall require the Secretary of State's consent in the circumstances set out above and reinvestment exceeding the value for the time being specified by the Secretary of State or with other special features will be subject to Parliamentary approval. The percentage of the proceeds for which consent is needed is the percentage of the initial price of the asset which was paid by capital grant from the Secretary of State.

86) This clause applies in the event, during the lifetime of this Agreement, of the disposal of a capital asset for which capital grant of any amount was paid by the Secretary of State, where the asset was acquired by the Company. In this event, the Company shall repay to the Secretary of State the same proportion of the proceeds of the disposal as equates with the proportion of the original cost met by the Secretary of State, unless the Secretary of State agrees to some or all of the proceeds being retained by the Company for its charitable purposes.

87) This clause applies in the event, during the lifetime of this Agreement, that the Secretary of State consents to the disposal of an asset which was transferred to the Company from an LA for no or nominal consideration. In this event the Secretary of State may give consent on the basis that all or part of the proceeds of the disposal should be made over to the LA from which the asset was transferred, taking into account the amount of the proceeds to be reinvested by the Company. The Secretary of State will have regard to any representations from the Company and the LA from which the asset was transferred before giving consent under this clause.

88) Except with the consent of the Secretary of State, the Company shall not dispose of assets funded (whether in whole or in part) by the Secretary of State for a consideration less than the best price that can reasonably be obtained, such consent not to be unreasonably withheld or delayed.

89) The Company shall provide 30 days notice to the Secretary of State of its intention to dispose of assets for a consideration less than the best price that can reasonably be obtained, whether or not such disposal requires the Secretary of State's consent under clause 88 above.

89A) In complying with clauses 66 - 89 (inclusive), the Company shall (where relevant) be obliged to provide information which relates to each PFI Academy in addition to information which relates to the Company and any combined information which relates to all of the Academies that the Company operates.

TERMINATION

90) This Agreement shall commence on the date hereof and continue until terminated in accordance with clause 91 or until all Supplemental Agreements have terminated.

91) The Secretary of State may at any time by notice in writing terminate this Agreement and each of the Supplemental Agreements forthwith on the occurrence of any of the following events:-

a) the Company calls a meeting of its creditors (whether formal or informal) or enters into any composition or arrangement (whether formal or informal) with its creditors; or

b) the Company proposes a voluntary arrangement within Section 1 of the Insolvency Act 1986 (as amended); or

c) the Company is unable to pay its debts within the meaning of Section 123 of the Insolvency Act 1986 provided that, for the purposes of this Clause, Section 123 (1)(a) of the Insolvency Act 1986 shall have effect as if the amount of £10,000 was substituted for £750. The Company shall not be deemed unable to pay its debts for the purposes of this clause if any such demand as is mentioned in the said Section is being contested in good faith by the Company; or

d) the Company has a receiver and manager (with the exception of Receivers and Managers or Interim Managers appointed by the Charity Commission under the Charities Act 1993 or any subsequent re-enactment of that Act), administrator or administrative receiver appointed over all or any part of its undertakings, assets or income; or

e) any distraint, execution or other process is levied or enforced on any of the Company's property and is not paid out, withdrawn or discharged within fifteen Business Days; or

f) the Company has passed a resolution for its winding up; or

g) an order is made for the winding up or administration of the Company.

The Company shall notify the Secretary of State as soon as possible after receiving any petition which may result in an order for the winding up or administration of the Company and shall provide an explanation to the Secretary of State of the circumstances giving rise to the service of such a petition.

92) If, following the exercise of the Secretary of State's powers to appoint Additional Directors or Further Directors, pursuant to the Articles of Association the Members pass an ordinary or special resolution to remove one or more of those Additional or Further Directors appointed by the Secretary of State, the Secretary of State may give the Company 12 months, or such lesser period as he considers appropriate in the circumstances, written notice to terminate this Agreement or, as the Secretary of State may in his absolute discretion decide any of the Supplemental Funding Agreement's.

93) The Secretary of State's right to terminate this Agreement under clause 92 shall cease if he removes any of the Additional Directors or Further Directors which he has appointed pursuant to the Articles of Association.

Change of Control of the Company

93A) The Secretary of State may at any time by notice in writing, subject to clause 93C) below, terminate this Agreement forthwith (or on such other date as he may in his absolute discretion determine) in the event that there is a change:

- (a) in the Control of the Company;
- (b) in the Control of a legal entity that Controls the Company.

93B) The Company shall, as soon as it is reasonably practicable to do so after it has become aware of any change or proposed change of Control within the meaning of clause 93A), give written notice to the Secretary of State of such change or proposed change of Control.

93C) When notifying the Secretary of State further to clause 93B), the Company may seek the Secretary of State's agreement that, if he is satisfied that the person assuming Control is suitable, he will not in those circumstances exercise his right to terminate this Agreement further to clause 93A).

Effect of Termination

94) In the event of the termination of this Agreement however occurring the Secretary of State shall procure that his nominee (if any) shall resign as a member of the Company and

shall co-operate in making any associated amendments to the Articles of Association.

The Annual General Meeting shall be held at such time and place as the Directors shall appoint. All meetings other than Annual General Meetings shall be called General Meetings.
20. The Directors may call general meetings and, on the requisition of Members pursuant to the provisions of the Companies Act 2006, shall forthwith proceed to convene a general meeting in accordance with that Act. If there are not within the United Kingdom sufficient Directors to call a general meeting, any Director or any Member of the Company may call a general meeting.

NOTICE OF GENERAL MEETINGS

21. General meetings shall be called by at least fourteen clear days' notice but a general meeting may be called by shorter notice if it is so agreed by a majority in number of Members having a right to attend and vote and together representing not less than 90% of the total voting rights at that meeting.

The notice shall specify the time and place of the meeting and the general nature of the business to be transacted and, in the case of an Annual General Meeting, shall specify the meeting as such. The notice shall also state that the Member is entitled to appoint a proxy.

The notice shall be given to all the Members, to the Directors and auditors.

22. The accidental omission to give notice of a meeting to, or the non-receipt of notice of a meeting by, any person entitled to receive notice shall not invalidate

the proceedings at that meeting.

PROCEEDINGS AT GENERAL MEETINGS.

23. No business shall be transacted at any meeting unless a quorum is present. A Member counts towards the quorum by being present either in person or by proxy. Two persons entitled to vote upon the business to be transacted, each being a Member or a proxy of a Member or a duly authorised representative of a Member organisation shall constitute a quorum.
24. If a quorum is not present within half an hour from the time appointed for the meeting, or if during a meeting a quorum ceases to be present, the meeting shall stand adjourned to the same day in the next week at the same time and place or to such time and place as the Directors may determine.
25. The chairman, if any, of the Directors or in his absence some other Director nominated by the Directors shall preside as chairman of the meeting, but if neither the chairman nor such other Director (if any) be present within fifteen minutes after the time appointed for holding the meeting and willing to act, the Directors present shall elect one of their number to be chairman and, if there is only one Director present and willing to act, he shall be the chairman.
26. If no Director is willing to act as chairman, or if no Director is present within fifteen minutes after the time appointed for holding the meeting, the Members present and entitled to vote shall choose one of their number to be chairman.
27. A Director shall, notwithstanding that he is not a Member, be entitled to attend and speak at any general meeting.
28. The chairman may, with the consent of a majority of the Members at a meeting at which a quorum is present (and shall if so directed by the meeting), adjourn the meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business which might properly have been transacted at the meeting had the adjournment not taken place. When a meeting is adjourned for fourteen days or more, at least seven clear days' notice shall be given specifying the time and place of the adjourned meeting and the general nature of the business to be transacted. Otherwise it shall not be necessary to give any such notice.

30. Unless a poll is duly demanded a declaration by the chairman that a resolution has been carried or carried unanimously, or by a particular majority, or lost, or not carried by a particular majority and an entry to that effect in the minutes of the meeting shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
31. The demand for a poll may be withdrawn, before the poll is taken, but only with the consent of the chairman. The withdrawal of a demand for a poll shall not invalidate the result of a show of hands declared before the demand for the poll was made.
32. A poll shall be taken as the chairman directs and he may appoint scrutineers (who need not be Members) and fix a time, date and place for declaring the results. The result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
33. A poll demanded on the election of the chairman or on a question of adjournment shall be taken immediately. A poll demanded on any other question shall be taken either immediately or at such time, date and place as the chairman directs not being more than thirty days after the poll is demanded. The demand for a poll shall not prevent continuance of a meeting for the transaction of any business other than the question on which the poll is demanded. If a poll is demanded before the declaration of the result of a show of hands and the demand is duly withdrawn, the meeting shall continue as if the demand had not been made.
34. No notice need be given of a poll not taken immediately if the time and place at which it is to be taken are announced at the meeting at which it is demanded. In other cases at least seven clear days' notice shall be given specifying the time and place at which the poll is to be taken.

35. A resolution in writing agreed by such number of Members as required if it had been proposed at a general meeting shall be as effectual as if it had been passed at a general meeting duly convened and held provided that a copy of the proposed resolution has been sent to every Member. The resolution may consist of several instruments in the like form each agreed by one or more Members.

Duties in relation to pupils with SEN⁸

1. The Directors of the Company must, in respect of each **Mainstream Academy**, comply with all of the duties imposed upon the governing bodies of maintained schools in;
Part 4 of the Education Act 1996 as amended from time to time⁹;
The Education (Special Educational Needs) (Information) Regulations 1999 as amended from time to time;
The Education (Special Educational Needs Co-ordinators) (England) (Amendment) Regulations 2008 as amended from time to time¹⁰.
2. Notwithstanding any provision in this Agreement, the Secretary of State may (whether following a complaint made to him or otherwise) direct the Company to comply with an obligation described in this Annex where the Company has failed to comply with any such obligation.
3. Where a child who has SEN is being educated in a **Mainstream Academy**, those concerned with making special educational provision for the child must secure that the child engages in the activities of the school together with children who do not have SEN, so far as is reasonably practicable and is compatible with:
 - (a) the child receiving the special educational provision which his learning difficulty calls for,
 - (b) the provision of efficient education for the children with whom he will be educated, and
 - (c) the efficient use of resources.
4. In addition to complying with the duties imposed upon the governing bodies of maintained schools set out in The Education (Special Educational Needs) (Information) Regulations 1999 (as amended from time to time) the Company must ensure that the website for each Academy includes details of the arrangements for the admission of disabled pupils; the steps taken to prevent disabled pupils from being treated less favourably than other pupils; and the facilities provided to assist access to the Academy by disabled pupils

⁸ Duties in relation to pupils with SEN at Special Academies are at clause 12A of the Master Funding Agreement.

⁹ Currently these duties are in sections 313 (Duty to have regard to the Special Educational Needs Code of Practice 2001); 317 (Duties in relation to pupils with special educational needs), 317A (Duty to advise parents that special educational provision is being made); and 324(5)(b) (Duty to admit the child where a school is named in the statement).

¹⁰ These Regulations are amended by The Education (Special Educational Needs Co-ordinators) (England) (Amendment) Regulations 2009 (SI 2009 No 1387).

2010¹¹).

Admissions¹²

5. The Company must ensure that for each **Mainstream Academy** pupils with SEN are admitted on an equal basis with others in accordance with the Academy's admissions policy.
6. Where a local authority ("LA") proposes to name a **Mainstream Academy** in a statement of SEN made in accordance with section 324 of the Education Act 1996, it must give the Company written notice that it so proposes. Within 15 days of receipt of the LA's notice that it proposes to name the Academy in a statement, the Company must consent to being named, except where admitting the child would be incompatible with the provision of efficient education for other children; and where no reasonable steps may be made to secure compatibility. In deciding whether a child's inclusion would be incompatible with the efficient education of other children, the Company must have regard to the relevant guidance issued by the Secretary of State to maintained schools.
7. If the Company determines that admitting the child would be incompatible with the provision of efficient education, it must, within 15 days of receipt of the LA's notice, notify the LA in writing that it does not agree that the Academy should be named in the pupil's statement. Such notice must set out all the facts and matters the Company relies upon in support of its contention that:
(a) admitting the child would be incompatible with efficiently educating other children; and
(b) the Company cannot take reasonable steps to secure this compatibility.
8. After service by the Company on the LA of any notice (further to paragraph 7 above) stating that it does not agree with the LA's proposal that the Academy be named, the Company must seek to establish from the LA, as soon as is reasonably practicable, whether or not the LA agrees with the Company. If the LA notifies the Company that it does not agree with the Company's response, and names the Academy in the child's statement, then the Company must admit the child to the school on the date specified in the statement or on the date specified by the LA.
9. Where the Company consider that the Academy should not have been named in a child's statement, they may ask the Secretary of State to determine that the LA has acted unreasonably in naming the Academy and to make an order directing the LA to reconsider.

¹¹ For the meaning of 'disabled', see section 6 of the Equality Act 2010.

¹² SEN Admissions requirements for special academies are set out in the Special Academy Supplemental Funding Agreement Annex 1.

10. The Secretary of State's determination shall, subject only to any right of appeal which any parent or guardian of the child may have to the First-tier Tribunal (Special Educational Needs and Disability), be final.
11. If a parent or guardian of a child in respect of whom a statement is maintained by the local authority appeals to the First-tier Tribunal (Special Educational Needs and Disability) either against the naming of an Academy in the child's SEN statement or asking the Tribunal to name an Academy, then the decision of the Tribunal on any such appeal shall be binding and shall, if different from that of the Secretary of State under paragraph 9 above, be substituted for the Secretary of State's decision.
12. Where the Company, the Secretary of State or the First-tier Tribunal (Special Educational Needs and Disability) have determined that it should be named, the Company shall admit the child to the Academy notwithstanding any provision of Annex 1 of the Supplemental Agreement of that Academy.

Annex C

Serious incidents of misbehaviour leading to fixed period or permanent exclusion

1. Subject to the exceptions in paragraph 5, the Company shall act and shall ensure that the Principal and Local Governing Body of each Academy act in accordance with the law on exclusions as if each Academy were a maintained school. For this purpose, reference in the law on exclusions to the Head Teacher and Governing Body shall respectively be deemed to be the Principal and Local Governing Body of the relevant Academy.
2. Without limiting the generality of paragraph 1, the Company shall ensure that the Local Authority in which each Academy is located and, where the pupil concerned resides in the area of a different Local Authority, the Local Authority in which the pupil is ordinarily resident is informed of an exclusion decision in the same circumstances, and within the same timescale as a the head teacher of a maintained school is required to inform the Local Authority (or Local Authorities) of an exclusion.
3. Subject to the exception in paragraph 5, the Company shall ensure that each Principal and the Local Governing Body of the Academy have regard to the Secretary of State's guidance on exclusions when excluding, or reviewing the exclusion of a pupil and in relation to any appeals or review process as if each Academy were a maintained school¹³.
4. The Company shall make arrangements for enabling appeals against, or review of any decision of the Local Governing Body to permanently exclude a pupil in accordance with the functions assigned to the Local Authority in relation to a maintained school. The Company shall ensure that appeal/review panels are impartial, and are constituted in accordance with the Secretary of State's guidance. The Company shall comply with any decision of an appeals panel, or direction of a review panel¹⁴.
5. The exception to the duties imposed under paragraphs 1 and 3 is:
 - the Local Governing Body is not expected to seek the advice of a Local Authority officer when considering an exclusion, although a Local Authority

The guidance may be subject to amendment, and each Academy is required to have regard to the guidance as it stands at any given time.

¹⁴ A parent may seek a judicial review of a decision of an appeal/review panel relating to their child. A parent of a child excluded from an Academy may not complain to the Commissioner for Local Administration (the Local Government Ombudsman) about maladministration.
